Copperleaf At The Brooks in Bonita Springs Florida lets you indulge your passion for the game, the good life, and the golf club lifestyle.

Built in 2000, the shimmering lakes and abundant natural preserves in Copperleaf At The Brooks provide spectacular accents to the 18-hole championship golf course that winds through Copperleaf. It is a Pulte Homes development located within The Brooks, a 2,500-acre community developed by The Bonita Bay Group. Located just north of Naples and minutes from Southwest Florida International Airport.

Copperleaf is a golf inclusive community featuring mostly detached villa homes, with a limited number of carriage homes, all with marvelous golf and lake views. The overall density of Copperleaf will be approximately 570 homes. Neighborhoods overlook the emerald fairways and picturesque greens of the course.

Gordon Lewis developed the championship par-72 layout that includes an over-sized putting and chipping area and aqua driving range. Full golf and country club memberships are included with every home purchase. The 11,000-square-foot Clubhouse offers both formal and casual dining, heated swimming pool, Jacuzzi, four lighted tennis courts and pro shop.
